

ASHLAND BUDGET COMMITTEE

JANUARY 31, 2015

Members Present: Ruell, Toth, Badger, Cilley, Coleman, DeWolfe, and alternate Newton

Members Excused: Lamos

Members Absent: Scarano

The meeting was called to order in the school gymnasium soon after the end of the Town Deliberative Session.

The Deliberative Session had voted to amend Article 9, changing the amount to be appropriated to the Police Department Capital Reserve Fund from the original proposal of \$20,000, previously approved by the Budget Committee on a vote of 7 to 1, to the new amount of \$30,000. The Committee therefore voted again on the article, with four (4) in favor of the revised article and two (2) opposed to the revised article.

The meeting was then promptly adjourned.
