

Ashland Conservation Commission
Draft minutes of 8-24-16

Member present

Walter Durack
Kathleen DeWolfe
Harold Lamos

Chairperson Walter Durack called the meeting to order at 6:31pm. First order of business was approval of past minutes (6-22-16 and 7-27-16). Commissioner DeWolfe made a motion to approve the minutes of 6-22-16.....Commissioner Durack seconded this motion vote of 3-0-0. Commissioner DeWolfe also made a motion to approve the minutes of 7-27-16 as amended....Commissioner Durack also seconded this motionvote of 3-0-0.

The Commissioners discussed on going compliance issues on River street, Squam shores, and North Ashland road. This included review of DES paperwork and guidelines involving shorefront and or wastewater practices. Also on the agenda was commercial activity on the Avery well field, this involved several "bulk water" tank trucks passing over the aquifer. A letter shall be compiled and forwarded to the wastrel and sewer departments.

The commissioners discussed in detail eversource contractors using ATVs to gain access to town lands (wellhead) for their commercial interest, this was without previous town consent and without the agreed 72 hour notification policy when they request to be on town property.

With no further business to discuss, commissioner Lamos made a motion to adjourn at 9:05 pm, seconded by commissioner DeWolfe vote of 3-0-0.
