

# Upper Squam River Ashland

## Legend

- Upper Squam R. Milfoil\_102309
- Infested Area
- ▨ Unmapped

0 155 310 620 930 1,240 Feet

Areas noted as unmapped were non-navigable on the survey date due to low water and exposed sediment in these areas, or very shallow water. Milfoil presence/absence uncertain but not likely present in these areas in high density.

Data from NH DES field survey.
