• On 3/15/2013, Tri-State Fire serviced the fire extinguishers. They are now up to date.

Old Business

Next Step with the Scribner Trustees

• Sara suggested we ask the Selectmen to be included on their agenda to discuss the situation regarding the locked rooms on the second floor.
• Alice will write to the Scribner Trustees, again, asking when we can meet to discuss the second floor issue.
• At the circulation desk, there will be a petition about the limited second floor access that patrons can sign to express their opposition.
• We discussed other ways to address the second floor issue.
• Alice will ask Paul Branscombe if the town attorney will look at the validity of the rules sent to us by the Scribner Trustees. We want to know if these rules are in compliance with the warrant article, Emma Scribner’s will and other court documents.
