- CDBG funds come from federal HUD funding
- Grant awards up to $500,000 must be applied for through the town
- Requires 1-to-1 match; helps to have additional funds above the match

- Acquisition of buildings receives lower priority (only up to assessed value)
- Must serve at least 51% of low/moderate income
  - About 54% of Ashland is low/moderate income
  - Suggest that we work creatively with # of library users in low/moderate category
- Project readiness is heavily considered – e.g., purchase/sale agreement; approval through planning/zoning process, etc.
- Grant administration can be paid for through the grant if funded
  - Maximum $12,000 administration (about $4,000 writing)
- Application workshop December 4; Deadline January 27

- Due approximately June/July
- Project must be crucial to the community
- No grant administration funding

Planning/Feasibility Grant
- $12,000
  - Could be used to assess multiple scenarios
  - May/June

USDA Rural Development
- Grant money for furniture could go toward the CDFA match

Meena Gyawali’s husband is Dan Szczesny, author of “The Adventures of Buffalo and Tough Cookie”, which the Library has just purchased. She commented that he is available for presentations in libraries. His other book is “The Nepal Chronicles: Marriage, Mountains and Momos in the Highest Place on Earth.”

The Trustees agreed that it would be advisable to check further into the CDBG planning/feasibility grant. We will explore the process, timeline and application.

OLD BUSINESS

Warrant Article
The wording for the petition warrant article was discussed and agreed upon; we will ask for $25,000 for the capital reserve fund. We will forward the wording to the town attorney for review and then start gathering signatures on the petition:

Shall the Town vote to establish a Capital Reserve Fund under the provisions of RSA 35:1 to be known as the Ashland Library Building Fund for the purpose of purchasing, building and/or renovating a facility (including furnishing and equipment) for the Ashland Town Library, and to raise and appropriate the sum of Twenty-Five Thousand Dollars ($25,000) towards this purpose, and to further appoint the Ashland Library Trustees as agents to expend from the fund.

Insurance Issues
There was no further progress on information regarding the insurance on the building. We will continue to pursue the matter.
Electric Upgrade
The Library lights were reviewed for the NHEC upgrade grant being considered by the Town. Our lights are T12 which are not made anymore and would cost about $40 per unit to replace. While he was here, the electrician fixed two lights which had not been working properly.

Bike Rack
The Scribner Trustees have agreed to placement of a bike rack at the library, although the location still needs to be clarified. Mardean suggested writing a thank you note to the Scribner Trustees, HEAL and Joe Mazzone.

Occupancy
Steve Heath can do a fire inspection at any time, but an occupancy permit cannot actually be issued unless we meet all codes. The old inspection report seems to have been dropped. Sara will find a copy of it for Mardean’s reference.

DVD Theft Protection
We are still working on finding a solution to modifying the movie return box to prevent theft. It was suggested to contact Paul Proulx for assistance. Sara has noticed other issues with missing DVD’s inside the library and will investigate solutions, including camera surveillance.

Letter to Brian Chalmers
Alice will send a letter to Brian Chalmers to ask if he might consider being a lead in our building project fund-raising campaign.

Staff Evaluations
Sara will be working on conducting staff performance evaluations.

New Business

IP Address
We discussed the occasional internal interruptions in our internet access. The situation has somewhat improved since we replaced the router and modem. Two possible solutions were mentioned – paying for a static IP address or increasing bandwidth. We will continue to investigate the issues and explore solutions.

Next Meeting
The next Library Trustees meeting will be November 24, at 6:00 pm at the Library.

The meeting was adjourned at 8:05 pm.
