**OLD BUSINESS**

Occupancy – Letter to Scribner Trustees
Alice will review the draft letter to the Scribner Trustees regarding the stairway sprinkler and occupancy permit and forward it to the Scribner Trustees, Board of Selectmen, and Fire Department.
Staff Evaluations
Sara will be completing staff evaluations next week.

Safety/Security Issues – Cameras
The Trustees reviewed the quote from 1-2-3 Lock & Key for installation of 4 hard-wired security cameras. The quoted cost is $2,360.40 and was recommended by the vendor as having a higher image quality (for clearer identification) than a wireless system ($350 from Walmart). Alice will write a letter to the Scribner Trustees explaining our concerns about security of the Library, concerns about the safety of patrons and employees, the need for a camera system, and to request permission from the Scribner Trustees to install the system, at the Library Trustees’ expense.

Brian Chalmers
Brian Chalmers has expressed interest in serving as the lead in our building project fund-raising campaign. Sara will contact him to ask when it would be convenient for him to meet with us.

CDFA Grants
Mardean described a document that Langdon Library (Newington, NH) prepared for their building program. The document included a detailed description and photos of the existing library prepared by an architect, and an analysis and space needs study prepared by Thomas Ladd, formerly of the NH State Library system. Mardean suggested that we might submit a planning/feasibility grant application (maximum $12,000) through CDFA to fund a similar study and analysis of building options; the next due date for such an application is the end of April 2015. Having a professionally-prepared document would provide us with relevant data and recommendations to validate our building needs. Mardean will contact Tom Ladd to inquire whether he would be able to prepare something similar for us and how much he would charge.

NEW BUSINESS

Warrant Article and Voters’ Guide
The Trustees will draft suggested wording for an explanation of our Capital Reserve Warrant Article to be included in the Voters’ Guide. We will also be prepared to address building and capital reserve questions at the Town Budget Hearing (Jan 15) and the Deliberative Session (Jan 31).

Annual Report
We reviewed the draft of our 2014 Library Annual Report for the Town’s Annual Report publication. Alice will send us a revised report incorporating some additional suggestions.
