Dredge and Fill Permits -- Information

Per New Hampshire state law, under RSA Chapters 482-A and 485-A:17, no person shall excavate, remove, fill, dredge or construct any structures in or on any bank, flat, marsh, or swamp in and adjacent to any waters of the state without a permit from the wetlands board.

There are two types of applications you can obtain at the Town Clerk's office. One is a Standard Dredge and Fill application, and the other is an Expedited/Minimum Impact application.

For information or questions on the requirements for permits, you may visit the website of the [Department of Environmental Services, Wetlands Bureau](#). You may also reach them by telephone at 603-271-2147 or write to them at P.O. Box 95, Concord, NH 03302
