TOWN BULLETIN

April 22, 2014

News from the Town Office

The presses for the Town Bulletin stopped running on September 26, 2013 after 126 weekly issues. It is back by popular demand.

At last night's Board of Selectmen's meeting, the Board approved the revival of this on-line newsletter which reaches out to an estimated 385 individuals in the Community.

To begin the next volume of issues, the Bulletin will be distributed twice a month and each issue will focus on Community News to include Ashland Elementary School.

This newsletter helps the Town Office share information and establish a direct connection with its audience, the residents and tax payers of Ashland who are unable to attend Selectmen's meetings.

Specific information in the past has and will continue to be sent out through the Ashland InfoBlast as needed.

Through communication and transparency, local government is working hard to improve the quality of life in the Town of Ashland.
